

# FORCE AND MOTION

NEXT GENERATION SCIENCE STANDARDS

**Feb. 14, 2019**

**Day 4/104**

**At the end of today's lesson you will;**

- How do forces affect motion?

**Classwork-**

- Force and Motion 4.4 End of Unit Assessment
- Students complete an End-of-Unit Assessment consisting of 14 multiple-choice questions and 2 written-response questions in which they analyze and interpret data, evaluate evidence, and construct explanations.
- The End-of-Unit Assessment indicates where students fall along the levels of the Progress Build after instruction by measuring their mastery of the specific ideas, both unit-specific science concepts and crosscutting concepts, that comprise each level of the Progress Build.
- Finish and share your Scientific Argument.

**Homework-**

- Get your Science notebook ready for grading.
