Day 4/152

At the end of today's lesson you will;

- *What causes climate change?*

Classwork-

- **PSSA Testing Day #2 Science 8:00-10:15am-**
- Finish your Social Studies cross curricular map assignment.
- We will be scale drawing a map of the United States. Maps will be graded in Social Studies class.

Homework-

- *Review the vocabulary terms used in your science classes from 5 through 8th grade on QUIZLET. Begin to explore the vocabulary terms associated with our Earth's Changing Climate unit on QUIZLET.*
