

Earth and Space Science

Sept. 6, 2018

Day 2/6

At the end of today's lesson you will;

- Have a general understanding of how and why Hurricanes form, and how we track their movement.

Classwork-

- Using the [Hurricane Plot Map 2](#) track the paths of the [Hurricane Plot Points 2](#).
- How can we predict their movement based on their current position..

Homework-

- Finish plotting all of the hurricanes from plot 2.
