

Amplify Science

Oct. 4, 2018

Day 3/23

At the end of today's lesson you will;

- How can we search for evidence that other planets were once habitable?

Classwork-

- Amplify - Natural Selection 1.1. Students complete a pre-unit assessment consisting of 18 multiple-choice questions and two written-response questions in which students analyze and interpret data and construct explanations. The pre-unit assessment is diagnostic and designed to reveal students' understanding of the unit's core content—including unit-specific science concepts and crosscutting concepts.

Homework-

- Finish up the GOM Scientific Argument from GOM Lesson 3.4.
