

Amplify Science

Oct. 5, 2018

Day 4/24

At the end of today's lesson you will;

- How can we search for evidence that other planets were once habitable?

Classwork-

- Students will present their scientific argument for the question posed at the beginning of the Geology on Mars unit. Students will "Peer Review" the arguments presented by other student scientists. Make revisions, and hand in to me, the project leader..

Homework-

- No Homework.
