

# Natural Selection

Next Generation Science Standards

Oct. 23, 2018

Day 4/36

***At the end of today's lesson you will;***

- Why do populations change over time?

***Classwork-***

- Natural Selection 2.4
- Students revisit “The Deadly Dare,” the article they read in the previous lesson, to find evidence that will help them answer the Chapter 2 Question.
- Armed with this evidence, students are introduced to the Reasoning Tool, a graphic organizer which they will use to make explicit connections between the evidence and a claim about why and how the newt population changed.

***Homework-***

- Complete the Homework portion of today's lesson (Section 2.4.4).
- Review the Natural Selection unit vocabulary terms on QUIZLET. Vocabulary Quiz TOMORROW.
