

Natural Selection

Next Generation Science Standards

Oct. 25, 2018

Day 2/38

At the end of today's lesson you will;

- Why do populations change over time?

Classwork-

- Natural Selection 2.6.
- Continue Section 4 Scientific Argument portion of Natural Selection 2.4 .
- Today's differentiated lesson is designed to provide students with a targeted review and exploration of key concepts and ideas.
- Based on results of the Critical Juncture Assessment, students will be placed into one of three groups to provide them with differentiated experiences tailored to their particular learning needs.
- This tailored lesson begins with a differentiated Warm-Up and progresses through work in the Sim, Sorting Tool, and the Amplify Library..

Homework-

- Complete the Self Assessment portion of today's lesson (Section 2.6.4).
- Continue to work on the Scientific Argument (Homework) portion of today's lesson (Section 2.4.4) in your Google Doc.
