

Natural Selection

Next Generation Science Standards

Dec. 5, 2018

Day 2/62

At the end of today's lesson you will;

- Design a malaria treatment that minimizes drug-resistant malaria.

Classwork-

- Natural Selection Engineering Internship Day 10
- In this last day of the internship, interns will peer review the work of a classmate.
- Interns will critique the work based on the Proposal checklist, and the Proposal Grading Rubric.
- Interns will then revise their proposal and submit a copy for consideration.
- Our Internship coordinator (Mr. Lumio) will evaluate each proposal using the Grading Rubric.

Homework-

- Get your Science folders ready for tomorrow's check.
