

*Dec. 6, 2018*

*Day 3/63*

**At the end of today's lesson you will:**

- Why do species, both living and extinct, share similarities and also have differences?

**Classwork-**

- Students will complete a check of their Natural Selection Internship folders.
- Begin Evolutionary History 1.1
- Students complete a pre-unit assessment consisting of 16 multiple-choice questions and 2 written-response questions in which students analyze and interpret data and construct explanations.
- The pre-unit assessment is diagnostic and designed to reveal students' understanding of the unit's core content—including unit-specific science concepts and crosscutting concepts—prior to instruction by indicating, for formative purposes, where students initially fall along the levels of the Progress Build.

**Homework-**

- Finish the pre-unit assessment.
