

# *Force and Motion*

Jan. 10, 2020

Day 4/80

**At the end of today's lesson you will be able to determine;**

- How do forces affect motion?

## **Classwork-**

- Force and Motion 1.1 Pre Unit Assessment
- Science folder check.
- Students complete a Pre-Unit Assessment consisting of 14 multiple-choice questions and 2 written-response questions in which students analyze and interpret data and construct explanations. The Pre-Unit Assessment is diagnostic and designed to reveal students' understanding of the unit's core content—including unit-specific science concepts and crosscutting concepts—prior to instruction by indicating, for formative purposes, where students initially fall along the levels of the Progress Build.
- We will also finish up the video confirming the result of our evolutionary investigation into the mystery fossil, Whales, and Wolves.

## **Homework-**

- No Homework
