

# *Force and Motion*

Feb. 7, 2020

Day 3/99

**At the end of today's lesson you will be able to determine;**

- How do forces affect motion?

## **Classwork-**

- Force and Motion 4.4
- Students complete an End-of-Unit Assessment consisting of 14 multiple-choice questions and 2 written-response questions in which they analyze and interpret data, evaluate evidence, and construct explanations.
- The End-of-Unit Assessment indicates where students fall along the levels of the Progress Build after instruction by measuring their mastery of the specific ideas, both unit-specific science concepts and crosscutting concepts, that comprise each level of the Progress Build.

## **Homework-**

- Bring in your Snow-Tubing Trip Form and Money
