

Force and Motion

Feb. 10, 2020

Day 4/100

At the end of today's lesson you will be able to determine;

- How do forces affect motion?

Classwork-

- Finish up our Force and Motion unit.
- Students prepare for tomorrow's force and motion notebook check, and take a look at the forces that brought our worlds together in a portion of a COSMOS episode.

Homework-

- Bring in your Snow-Tubing Trip Form and Money
