

# FORCE AND MOTION ENGINEERING INTERNSHIP

Feb. 28, 2020

Day 4/112

*At the end of today's lesson you will be able to determine;*

- How do forces affect motion?

## **Classwork-**

- Force and Motion Engineering Internship Proposal Turn in Day.
- Today is turn-in day for your Pod Proposal. Before turning in you will have a classmate do a peer edit of your proposal. You will make any edits you would like before submitting your proposal for review by the internship coordinator.
- We will take a look at the data from the "Science of Sliding" trip and calculate the speed and acceleration of the snow tubes.

## **Homework-**

- No Homework.
