

Earth and Space Science

Sept. 27, 2019

Day 2/22

At the end of today's lesson you will;

- How can we search for evidence that other planets were once habitable?
- What geologic process could have formed the channel on Mars?

Classwork-

- Students take a look at the first episode in the Cosmos series. Cosmos, integrates each of the scientific disciplines like we do in our Amplify Next Generation Science standards program.

Homework-

- No Homework.
